3 UNITED STATES DISTRICT COURT
4 NORTHERN DISTRICT OF CALIFORNIA
5 OAKLAND DIVISION

6
7 DENNIS LAMONT MILLER,

8 Petitioner,

No. C 11-0686 PJH (PR)

9 vs.

10 PEOPLE OF THE STATE OF
11 CALIFORNIA,

12 Respondent.
13 _____ /

14 **ORDER GRANTING
RESPONDENT'S MOTION TO
DISMISS AND DENYING
CERTIFICATE OF
APPEALABILITY**

15 This is a habeas case brought pro se by a state prisoner under 28 U.S.C. § 2254.
16 Respondent has filed a motion to dismiss on grounds that the petition is barred by the
17 statute of limitations. Petitioner has not opposed the motion. For the reasons set out
18 below, the motion will be granted.

19 **DISCUSSION**

20 Respondent contends that this petition is barred by the statute of limitations. The
21 statute of limitations is codified at 28 U.S.C. § 2244(d). Petitions filed by prisoners
22 challenging non-capital state convictions or sentences must be filed within one year of the
23 latest of the date on which: (A) the judgment became final after the conclusion of direct
24 review or the time passed for seeking direct review; (B) an impediment to filing an
25 application created by unconstitutional state action was removed, if such action prevented
26 petitioner from filing; (C) the constitutional right asserted was recognized by the Supreme
27 Court, if the right was newly recognized by the Supreme Court and made retroactive to
28 cases on collateral review; or (D) the factual predicate of the claim could have been
discovered through the exercise of due diligence. 28 U.S.C. § 2244(d)(1). Time during
which a properly filed application for state post-conviction or other collateral review is

1 pending is excluded from the one-year time limit. *Id.* § 2244(d)(2).

2 Petitioner was sentenced in March of 2008. He completed direct review on
3 December 8, 2009, when the time to petition the United States Supreme Court for certiorari
4 expired. See *Bowen v. Roe*, 188 F.3d 1157, 1159 (9th Cir. 1999) ("Direct review" includes
5 the period within which a petitioner can file a petition for a writ of certiorari from the United
6 States Supreme Court, whether or not the petitioner actually files such a petition). The time
7 for him to file his petition here thus expired on December 9, 2010. See *Patterson v.*
8 *Stewart*, 251 F.3d 1243, 1246 (9th Cir. 2001) (adopting "anniversary method;" absent any
9 tolling, the expiration date of the limitation period will be the same date as the triggering
10 event but in the following year). He did not file until January 28, 2011, however, applying
11 the "prison mailbox rule". The petition therefore is untimely.

12 **CONCLUSION**

13 Respondent's motion to dismiss (document number 8 on the docket) is **GRANTED**.
14 The petition is **DISMISSED**. Because there is no dispute about the dates involved and,
15 based on those dates, the petition clearly was untimely, a certificate of appealability
16 ("COA") is **DENIED**. See Rule 11(a) of the Rules Governing Section 2254 Cases.
17 Petitioner is advised that he may not appeal the denial of a COA, but he may ask the court
18 of appeals to issue a COA under Rule 22 of the Federal Rules of Appellate Procedure.
19 The clerk shall close the file.

20 **IT IS SO ORDERED.**

21 Dated: July 23, 2012.
